# A GOVERNMENT SURVEY-ASKED FOR

Several Prominent Chicago and Illi nois Men Addressed the River and Harbor Committee.

Canal Would Not Only Serv or Navigation, But Also Would Develop Horse Power to the Value of \$20,000,000.

Washington, Dec. 12.—The merits of the project for connecting the Mississippi river and the great lakes by way of the Chicago sanitary canal wave coasidered at a special meeting of the river and the great lakes by way of the Chicago sanitary canal wave coasidered at a special meeting of the river and harbor committed that the private lobby of the house of representatives Tuesday night of the first of the control of the control of the lilinois gentiemen, members of the Illinois gentiemen, members of the Illinois yalley association, who have been identified with the sanitary canal project, including lyman E. Cooley, the eminent engineer; Col. Isaac Taylor, of Peoria; Funix Wenter, of the board of trustees of the sanitary canal project, including lyman E. Cooley, the eminent engineer; col. Isaac Taylor, of Peoria; Funix Wenter, of the board of trustees of the sanitary canal control of the sanitary canada of the sanitary canada on the

would bring about. He spoke also of the ultimate development of exten-sive navigation, chiefly by barges, be-tween the lukes and the gulf of

when he lakes and the gulf of Mexico.

As a SHIII ray Nessare.

Mr. Whitmore, of St. Louis, in behalf of the Merchants' exchange of that city, gave the hearty indoracinent of that body to the project. They regarded it, he said, as of great importance to the entire Mississippi of the same of the survey. There was no arrows to the survey. There was no arrows to the survey. There was no arrows to commit congress to the expenditure of \$25,000,000, he said, but only to secure an intelligent inquiry which would serve as a basis for future action by congress. Ever for future action by congress. Ever the had heard of this project, so that to could hardly be considered an afterthought of the drainage project. Senator Mason space in a felicitous way of the national napset of the canal. As a military measure it would have great value in time of trouble to the lakes for defensive purposes.

Powers Insist on the Cancellation of the Claim of the Chinese lleir Apparent.

## PRINCE'S PARTY TO BE OVERTUROWN.

Probability That Serious Negotia tions for Peace Will Be Begun Forthwith at Peking.

ogressive Chinamen Regard the Present as a Great Opportunity to Overthrow the iteration-tionary Manchu Methods.

London, Dec. 12—"Reports from Chinese sources," says the Shanphai correspondent of the Time, "point to the probability that serious ne-gotiations for peace will begin forth-with. It is believed that a short pre-liminary protocol is in progress of arrangement, leaving many questions, including commercial subjects to sep-arate conventions, to be drawn up later.

"The powers should retain their troops in China until these questions are settled and until tangible evi-dence is given that China intends to tulili her engements. Progressive Chinamen regard the present as a great opportunity to overtice and to inaugurate a regime of national pro-gress.

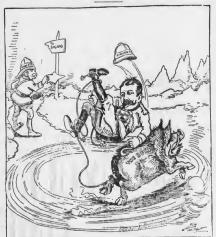

gress.
"It is urged that the powers shall insist upon the cancellation of the claim of the present heir apparent, Prince Tuan's son, and substitute an
